Scholarship Committee Responsibility

Application Review:

You will be responsible for thoroughly reviewing the scholarship applications submitted by students. This includes examining their academic achievements, extracurricular activities, leadership skills, community involvement, and any other criteria set by the scholarship program.

Eligibility Assessment:

Ensuring that applicants meet all the eligibility requirements for the scholarship is essential. This may include factors such as financial need, field of study, or other specific criteria.

Evaluation Criteria:

Participating in the establishment of evaluation criteria, scoring rubrics, and guidelines that will be used to fairly and consistently assess all applicants.

Scoring and Ranking:

Using the established criteria, you will score and rank applicants based on their merits. This process may involve rating applications independently or through group discussions and deliberations.

Committee Meetings:

Engaging in committee meetings with other members to discuss and compare applicants, share insights, and collectively make decisions on scholarship recipients.

Decision Making:

Collaborating with other committee members to reach a consensus on the final selection of scholarship recipients. Your input and expertise will contribute to identifying the most deserving candidates.
