FRONTIER MEDICAL AND DENTAL COLLEGE

Student Social Support Policy

Objective:

Frontier Medical & Dental College is committed to fostering a supportive and inclusive environment for all enrolled students. This Student Social Support Policy aims to outline initiatives and resources available to assist students academically and emotionally during their time at FMDC.

Academic Support Initiatives:

1. **Mentoring and Tutoring:**
    - FMDC recognizes that students may face challenges in keeping pace with their studies. To address this, the college provides a mentoring program where experienced faculty members mentor and guide students in their academic journey.
    - Additionally, tutoring services are available for students who require extra assistance in specific subjects. Tutors are

appointed to help students bridge gaps in understanding and excel in their coursework.

2. **Study Groups and Collaborative Learning:**
    - FMDC encourages the formation of study groups to promote collaborative learning. Students can engage in group discussions, share resources, and collectively tackle academic challenges.

Social Support Initiatives:

1. **Organizing Educational and Recreational Events:**
    - The college organizes a variety of events, including annual educational trips and recreational outings, to enhance the overall student experience.
    - These events provide opportunities for students to unwind, foster friendships, and gain exposure to diverse educational experiences outside the traditional classroom setting.
2. **Psychological Counseling Sessions:**
    - FMDC recognizes the importance of mental health and well-being. A qualified psychologist is available to provide confidential counseling sessions for students facing stress, anxiety, or other psychological challenges.
    - Students can schedule appointments to discuss personal or academic concerns, ensuring a supportive space for addressing their mental health needs.

Implementation:

This policy is effective immediately and applies to all enrolled students at FMDC. Students are encouraged to familiarize themselves with the available support initiatives and utilize them as needed.

Review:

The Student Social Support Policy will undergo regular reviews to assess its effectiveness and identify areas for improvement. Feedback from students will be actively sought to ensure that the support mechanisms align with their evolving needs.

Contact Information:

For academic support inquiries, please contact the Academic Affairs Office. For psychological counseling appointments, please contact the Counseling Services Office.

Thank you for your commitment to creating a supportive and nurturing community at Frontier Medical & Dental College.
